## **Hilton Church Heritage Boxes**

Many thanks to everyone who contributed to the recently collected heritage boxes. A total of £271.30 was raised towards the upkeep & repair of our parish church building. If anyone else has any spare change that they would like to put towards maintaining our village heritage then contact 830866 for further details.

**I** would like to thank Jane Hazelwood for hosting our coffee morning in aid of the 2008 Flower Festival, at which we raised a grand total of £333. ## **Christian Aid House to House Collection 13-19<sup>th</sup> May 2007.**

The house to house envelope collection in aid of Christian Aid is 13-19<sup>th</sup> May this year. Could you help?

I am looking for collectors to help cover each street/road in Fenstanton. It only takes a little time but you could help raise money for some of the poorest people in our world. I can deliver all the materials you need direct to your house.

Please ring me if you would like to know more or can help.

**Many thanks Katherine Hucklesby.  
Telephone 465211.**

**W**e would like to say a big thank you for all those who attended our Garden Evening in the Church Centre.

Over sixty people attended to hear Melanie Sadler of Oakington Garden Centre . Melanie first explained what the charity "Addis Ababa Fistula Hospital in Ethiopia" was and why it was needed there.

It was a very entertaining and informative talk with some delightful slides of the beautiful specimens of shrubs she recommended. Melanie clearly knows her subject and she happily answered questions from the audience. She also prepared a quiz which many joined in with but few were able to complete. Great fun and one happy prize-winner.

There were a good range of plants and cakes for sale plus a raffle with many generous prizes. Lots of fun and , judging from the comments, a thoroughly good time was enjoyed by all.

We were delighted to send £450 pound to this charity. This means that at least one and a half operations can be performed at the hospital. **THANK YOU ALL.**

# **Parish Council Report**

FENSTANTON

Meeting held 12<sup>th</sup> April 2007.

## **Police Report**

During the period 8<sup>th</sup> March to 11<sup>th</sup> April 2007, the following incidents had been reported to the Police: - theft of a cycle; 1 non-payment of petrol.

## **Road Surface**

The Parish Council are concerned at the overall poor condition of road surfaces within the Village and Parish and the lack of action by Persimmon in surfacing Hampton Court.

The meeting was advised that a number of issues need to be resolved before work could be undertaken in Hampton Close. However, the County Council with whom responsibility lay were in discussions with Persimmon to resolve the situation.

The Parish Council has been pressing for action from the County Highways to repair and re-surface many of the roads within the Village and Parish which are in poor condition and in some instances could be considered as dangerous. It was felt that at the start of a new financial year greater pressure must be asserted to bring the condition of the roads back to a safe and satisfactory standard.

## **Car Parking**

Concern has, again, been expressed at the dangerous practice of parking on corners. The problem is becoming particularly acute on the corner of Chequer Street and the High Street. Whilst the Parish Council appreciates the parking problem may, to some extent, be caused by visitors to the Village, the request is made not to park on corners and to park safely and considerately.

## **Cambridgeshire and Peterborough Community Awards.**

Consideration was given to participating in the Cambridgeshire and Peterborough Community Award Scheme. It was felt, however, that to stand any chance of success a considerable amount of Parishioner participation would be required. Concern was expressed at the possibility of mustering sufficient support to enter this year's competition. It was agreed not to enter this year but to look towards next year.

## **Parish Council Elections**

An uncontested election has been declared for the Parish Council Ele  
May following the nomination of 13 candidates for 15 seats.

As the 2 vacant seats must be filled, the Parish Council is starting the  
is, therefore, looking for nominations to fill the seats. Any eligible P

# **Parish Council Report**

## **HILTON**

**A14 Consultation** The input phase of the Consultation process has closed and the primary concern of the A14 Action Group was to keep up the pressure on the Highways Agency to ensure that environmental issues were fully addressed. The A14AG is currently exploring the value of engaging an acoustic consultant to provide specialist advice to Hilton, and perhaps other nearby villages. The cost for the consultant was estimated at some £1400 and it was hoped to meet this by a mixture of Council funding and monies raised from the village. The A14AG and the Parish Council had also agreed to lend support to Mr Burton's for his generous offer to build a screening bund between the village and the A14, but had agreed that their first approach was to continue to press the Highways Agency to resolve the environmental problems.

**Parking on The Green** The Parish Council agreed that the stakes and ropes along Wraggs Row should be removed at the end of the present trial and further agreed that the best long-term solution to deter vehicles from driving onto the Green at this point would be to erect a low earth bund alongside the road and to seed it with grass which would be left uncut. The fixing of permanent traffic control bollards was rejected for reasons of appearance, high initial and substantial ownership costs.

**Gate to the Wilderness.** The Council agreed to provide a new traffic barrier to replace the current bollards at the end of Wraggs Row. The new barrier would be of the forest gate pattern.

**Memorial to Mr Britten.** The Hilton Ecumenical Group had proposed that two trees be planted on the Green as a memorial to Mr Britten. One tree would be provided by the two Churches and the second from the Civic Body.

**Lorrywatch.** The Parish Council agreed to support the new Cambridgeshire County Council sponsored Lorrywatch Scheme which is designed to tackle the problem of HGVs running through the village during the prohibited hours. The Parish Council is looking for a volunteer to help coordinate the new scheme. Anyone interested should contact the Parish Clerk.

**Vacancy Parish Councillor.** The Parish Council has a vacancy for a Councillor and the position is open to anyone over 18 who is resident within the village. If anyone is interested in sitting on the Parish Council, or would like more information, they are requested to obtain details from the Clerk to the Parish Council on 832030.

**Date of Village Annual Meeting.** The Village Annual Meeting will be held on 30 May.

**Planning.** The Parish Council recommended that the application for the erection of two sheds in the Garden of The Grange be rejected.

## Neighbourhood Watch Scheme

Has operated in Hilton for some years. Some changes have been introduced within our local scheme and others are the result of changes to national and local policing policy. The success of a NW scheme is largely down to the level of involvement and support of villagers to make it work. I would like to thank all of the village co-ordinators for their continued support, to Andy Bush who has been extremely active in raising the profile of NW through the village website, and especially Mrs Angie Walters, our Police Community Contact Officer (CCO) who retires in April after 10 years staunch service to the St Ives & District NW scheme.

**Village Website:** The internet is a fast and effective way of passing crime data and warnings around the village. Please take a look at the village website and fill in the **Sign Up Form** if you would like to be connected to receive this sort of data directly from the village website. Include your comments to help us develop the site tailored to your needs. If you have time, please visit the NW section of the Discussion Forum, where you can post questions or comments to me. I'd also like to hear from anyone who is not connected to the internet, and would like information about NW and details of their local co-ordinator.

**E COPS:** There have been some teething issues with this system, and I am working with the new CCO to clarify the status of our scheme and iron out the problems.

**Police Contact:** On Angie Walter's retirement, her basic contact role is being passed to the Huntingdon CCO. The other police interface is with the **Neighbourhood Policing Teams** who should also provide support and advice to their NW groups. I will pass more detail through your co-ordinators in due course.

Finally, if anyone would like to help I have a couple of local co-ordinator vacancies. Just ring!

## Hilton Stores changes hands

At a time when many smaller villages are losing their only shop/Sub Post Office, Hilton's one shop- which is being renamed as Hilton Stores, has changed hands. Since 1970 the Perry family have run B&A News, their contribution to village life is greatly appreciated. Following the tragic death of Brian in a car accident in 2003, his widow Anne, and son Simon have been running both the village pub and shop at the same time. Now, however, Simon will be able to give The Prince of Wales (pub of course) his undivided attention and plans to extend opening hours at lunchtimes.

Mr Mohammed Suleman from St Ives, previously ran the village stores in Hemingford Grey. As soon as the formalities are in place he will also be running the sub Post Office. Everyone has been very welcoming and friendly and Mr Suleman is very pleased with his decision.

Hilton Stores opening hours are now extended – it will be open from 6.30 am to 7.00 pm every day (excluding Christmas Day!) and Mr Suleman intends to increase the variety of stock available on the shelves.

Fenstanton village is very fortunate to have a good selection of shops. All villagers, in Hilton and Fenstanton alike, should appreciate and support their local traders. Use them, or lose them!

## ANNOUNCEMENT FROM THE CHURCHWARDENS IN THE TWO PARISHES:

### NEW VICAR FOR FENSTANTON AND HILTON

We were delighted to announce on Easter Sunday that the Bishop has appointed a new half-time priest-in-charge for the two parishes. Dr Robin McKenzie comes from curacies in Shrewsbury in the Diocese of Lichfield, with his wife Amanda and two children Annabel (10) and Caroline (8). He is 46.

We are not certain when he will move into the Fenstanton vicarage, or when he will be licensed by the Bishop (which is when his ministry here begins), but we hope that it will be sometime during the summer.

He will only be half-time as a vicar, and this will mean that everyone in the two parishes will have to adjust to this, and not expect a half-time vicar to do as much as a full-time one. We understand that in the other half of his time he will embark on a Management Consultancy (his background is in Engineering and Marketing, and he came late to ordained ministry). He may therefore be away from the parishes at times, and suitable arrangements will be made so that urgent messages can be dealt with in his absence. We are confident that Lay members of the congregations will understand that he will delegate some of his tasks, and support him completely in this.

We are sure that everyone will give him a warm welcome when he comes, and in the meantime any enquiries should continue to be directed to the Churchwardens.

Do you want to communicate with your neighbourhood policing team? Would you like to receive regular crime and community information that is local to you? E-cops is the answer.

E-cops is an exciting new interactive email scheme from Cambridgeshire Constabulary. By signing up you will be able to find out what your team are doing to tackle crime and anti-social behaviour in your neighbourhood, find out about policing priorities in your area and how you can influence them and keep up to date with community news. E-cops also allows you to send emails to your neighbourhood policing team about any issues or crime and disorder concerns you may have in your area.

### Church Property

Over recent months we have repeatedly had to pay for repairs to brickwork on our disabled access ramp, and the low wall near the bench. We know that the damage has been caused by children on bikes and skateboards. Could parents please be aware of the potential damage caused by these activities and ensure that their children play elsewhere.

### Roving Supper

Hilton was on the move during the evening of March 31<sup>st</sup> as people wandered from course to course. Everyone enjoyed good food and good company and contributed to the raffle to complete the evening. Thank you to Peter and Heather for all their hard work in organizing the evening. Thanks to all the cooks for their efforts and thank you to everyone who gave so generously. The £1200 raised will be shared between the Parish Church and the Methodist Chapel.

## Hilton Churches Sunday Club

We had a busy hour at the Easter Sunday service in the Parish Church. We put flowers in the Easter Garden created by Jane Garnet and also made crosses from oasis and fresh flowers. We used sweet and chocolate wrappers and shiny paper to make collages of easter eggs. Afterwards we had an easter egg hunt outside. We next meet on May 13<sup>th</sup> at 11am in the Methodist Hall.

## **Fenstanton Pre-School**

Pre-School is as busy as ever as we head towards the summer. Our older children have already had their first taster session at Primary School and there will be more to follow in the coming months.

Please remember that with morning and now some afternoon sessions being fully booked, please check availability with a member of staff before booking a place for your child. For early bird sessions, please call at 0830 to check availability for that morning.

We appreciate the help from Parents and Grandparents who have been able to lend a hand at pre-school. If you are interested in helping please add your name to the calendar on the cloakroom wall.

A reminder to you all of the next fundraising event. The Fashion Show is due to take place on Thursday 14<sup>th</sup> June at Fenstanton and Hilton Primary School. This will be a great night and remember the proceeds are to fund our new outdoor play area, so please come along and support us.

We take children from the age of 2 years 9 months, and will add them to our waiting list at age 2, so if you are interested in finding out more please do not hesitate to call on 01480 496156.

## **Over 60s Club, Fenstanton**

On March 14<sup>th</sup> we met for an afternoon of films on the history of St Ives. We met the Curator of the Norris Museum who showed us films from the start of the last century. We saw the town pump which was destroyed and later replaced by the statue of Oliver Cromwell. Scenes of the cattle pens where farmers brought their cattle to sell at the market – this is now the site of the bus station.

The chapel on the bridge was three storeys high and held residents but was taken down for safety. In 1970 the railway closed, the Fire Station was built as was the Police Station. Many other interesting buildings were to be seen which have also been demolished over the years. It was very interesting to see how the town has changed over the years.

On 28<sup>th</sup> March a representative from Aloe Vera came and showed us a variety of skin care products suitable for a many different problems such as skin complaints, to migraine! The cosmetics were all from natural sources. A very entertaining afternoon.

We meet next on 9<sup>th</sup> and 23<sup>rd</sup> May  
New members always welcomed.

## **Tots Praise**

Just a reminder to everyone that we hold Tot's Praise on the last Tuesday of the month at Hilton Church 1.30 – 2.30 pm, for children aged 0-5 years. There will be drinks, followed by songs, stories and activities. Everyone welcome! Next date May 29<sup>th</sup>.

## Hilton A14 Action Group

The public consultation is now closed. Thank you to everyone who signed our petition and wrote in to the Highways Agency with their views over the proposed routing. If you have received a reply from the Agency, your MP or District Councillor that you are unhappy with, do feel free to respond to them. Just because the consultation period is over it does not mean that they do not have to address any matters that you have raised.

The preferred route will be announced in the summer; in the meantime we are looking at two issues which we will need to continue to pursue whatever the route announcement.

As a group working alongside the Parish Council we have an ongoing issue with the Highways Agency concerning their response over local road matters. The Agency advises that this is a matter for our local District and County Council to take forward. We rather feel that they are “washing their hands” of a matter that needs careful consideration and will be taking this forward with both the Agency and local Councils.

We are also considering using the services of a noise consultant who can provide us with our own specialist advice on the likely effect the road will have on sound levels in the village and what can be done to reduce it. Feedback from villagers expressed disappointment with the information on noise at the public exhibitions especially the way the displayed plans ran out of “blue shading” before they reached Hilton, and the lack of practical explanation on what the indicated increase in sound levels might actually mean to the village, in terms of what we might hear on a day-to-day basis. We have also approached neighbouring villages to see if there is any scope for a shared study.

The noise consultant would cost up to £1,500 and at this time we are investigating how this cost might be met. The Parish Council have indicated that they might be prepared to meet a part of the cost but we will need to raise some additional funds to help meet any shortfall. We are considering some sort of fund raising event. We should know more about this by the time the next Spectrum entry is due and will report back then.

As usual, if you if you need any further information please contact Peter Balicki on 831787 , Lissie Wright 830577 or Jon Dooley 07885 636745.

## Hilton WI

36 members, husbands and friends enjoyed our annual spring dinner held at the Golden Ball, Boxworth. At our April meeting we were thoroughly entertained by Brian House and his pet hen, Henrietta. He talked about the trials and tribulations of living with and training animals, and we also heard some amusing tales of his exploits as an international dog judge.

### The Magical Bluebells of Brampton Wood

The Huntingdon Area Group of the Wildlife Trust invite you to come and experience the delights of a carpet of bluebells in this ancient woodland on our doorstep. You are welcome to share this spectacle/phenomenon by participating in guided walks through Brampton Wood Wednesday 2nd May at 7.00 p.m.

George Cottam, who is a leading member of the Huntingdon Area Group and also Warden at Brampton Wood, will lead us through this woodland, which is managed by the Wildlife Trust. A rich variety of flora will be seen, with the emphasis on this beautiful species.

George will seek to engage us in this magical wood, bringing to life the beautiful scent, colour and freshness of the bluebells that encapsulate the very essence of a traditional English spring.

Everyone is most welcome to attend. Please meet at Brampton Wood Car Park at 7.00pm. Admission: £2.00 members; non-members. For more information please visit the website [www.wildlifetrust-huntsareagroup.org.uk/](http://www.wildlifetrust-huntsareagroup.org.uk/) or contact George on 01480 450809, or Jo on either 01480 370593 or 07817 574235.

## Fenstanton WI

Three of our members went to the Annual Council meeting on April 3<sup>rd</sup> and Anne Groome reported back about their interesting and stimulating day; the main speaker Peter Lawrence was excellent. Christopher Donaldson, the Fund Raising Manager for the East Anglian Air

Ambulance gave an excellent talk at our meeting on Thursday April 5<sup>th</sup>. The idea for an air ambulance came in 1985 in Cornwall. There was a serious road accident involving four cars in which two people were killed instantly. A boy of 8yrs. had serious head injuries but because of all the holiday traffic it took the ambulance 2 hours to get to the scene and another 90 minutes to take him to hospital by which time he had died. His mother wrote to the government to point out that if her son had reached hospital within an hour he would have survived and suggested an air ambulance. The government replied that the N.H.S. could not fund it. After much campaigning by the mother it was agreed that the government would fund two paramedics if money could be found for a helicopter and all the medical supplies. The biggest fans for the idea were the surgeons who contacted local radio stations and after a year the first air ambulance was in service.

Other counties took up the idea and our air ambulance now operates 10 hours a day, 7 days a week. A larger helicopter that will take two patients has recently been acquired and the service is hoping to expand into Bedfordshire. This life-saving charity plays now more than ever an essential role in our society. Claire Barratt gave the vote of thanks. A special thank you to Mavis who despite being very unwell made three beautiful birthday posies which were gratefully received by the birthday girls.

## Dates for Future Meetings.

Thank you to all those many people who supported the Producers Question Time fund raising event at Hilton Village Hall in March. There was a full house, great entertainment and a lovely homemade supper enjoyed by all. Everyone helped to raise funding for an estimated 3 years! We are all very grateful.

## **Hilton Village Ball 2007**

The Village Ball will take place on 20 July 2007. If you would like tickets please contact any member of the Ball committee (names below) who will be more than happy to sell you a ticket.

We expect the ticket price will be £50 per head and weather permitting the format will be very similar to the 2005 format, canapés and a drinks reception around the Maze, a sit down dinner followed by dancing to a band and disco. We are also looking into other entertainment possibilities and of course we will be working hard to get the marquee looking its best!

To those of you who attended in 2005, I sincerely hope that you will support the Ball again – in my opinion it was a fabulous evening and a welcome addition to the Village's social calendar. To those of you who, for whatever reason did not come along in 2005, I would encourage you to buy a ticket and join us for what I promise will be a very enjoyable evening.

## Hilton Cricket Club

All the signs are there. The weeds are growing. The flies are buzzing (the bees have reportedly been zapped by microwaves from all those mobile phones). Bored boy-racers have left their tyre-prints all over the Green. Over-eager worms, celebrating an unusually wet winter, have caused the surface of the square to erupt in hundreds of places to such a degree that producers at 20<sup>th</sup> Century Fox have their eye on it as perfect film set for a series about the Battle of the Somme. It's all Mother Nature's way of telling us that Hilton is approaching the new cricket season.

The first few confrontations will be held on opponents' grounds, beginning at Alconbury on 29<sup>th</sup> April. The theatre of conflict transfers to Hilton Village Green from Sunday 3<sup>rd</sup> June, by which time our gladiators will already have annihilated five hapless teams. Such warlike hyperbole, accompanied by images of snarling, unshaven players like Freddie Flintoff and Ricky Ponting, is usually designed to increase ratings on Sky Sports TV. Cricket as played by Hilton is, in contrast, only a game and although we might have spent the past few months producing enriched uranium on an industrial scale, we can assure everyone that it is entirely for peaceful purposes.

We anticipate an exciting and successful season and we are now able to announce that when our players are finally released in mid-September, they will be permitted to sell their stories to the press or to anyone else bewildered enough to pay for them.

## Fenstanton Cricket Club

The season is nearly on us now and new players are needed and will be welcomed. Running only one side it can be a big struggle some weeks to get a team out. The majority of the team is nearing the 50 mark (not average runs, average years old!) and younger players are needed to safeguard the future of the club. Helpers are welcomed to assist in the running of the club as well. Teas, groundwork, committee. If you are interested contact us at the numbers below. We have received our fixtures for the Cambs league
